Independent Auditor's Report

To the Board of Directors
Reading Connections, Inc.
Greensboro, North Carolina

We have audited the accompanying financial statements of Reading Connections, Inc. (a nonprofit organization) (the "Organization"), which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Reading Connections, Inc. as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Reading Connections, Inc. (the "Organization") was established through a grant from the Kayser-Roth Charitable Foundation. The purpose of the Organization is to improve basic literacy skills of adults in the Greensboro City and Guilford County area, to increase the awareness of adult literacy needs in our community, and to serve as a central resource for the provision of literacy sources.

Cash and Cash Equivalents

For purposes of reporting the statements of cash flows, the Organization includes all cash accounts, which are not subject to withdrawal restrictions or penalties and all highly liquid investments with a maturity of three months or less as cash and cash equivalents.

Investments

Investments in marketable equity securities with readily determinable fair values and all investments in debt securities are measured at fair value in the statements of financial position. Unrealized gains and losses due to changes in market valuations are included in the statements of activities and changes in net assets. See Note 5 for discussion of fair value measurements.

Beneficial Interest in Endowments

In accordance with FASB ASC 958, *Transfers of Assets to a Not-for-profit Organization or Charitable Trust that Raises or Holds Contributions for Others*, the Organization recognizes its interest in assets held by Community Foundation of Greater Greensboro ("CFGG") for the sole benefit of the Organization. These assets consist of a Board designated endowment and a beneficial interest in the assets held in the endowment.

Grants and Pledges Receivable

Grants and pledges receivable consist of unconditional promises to give. The Organization estimates an allowance for doubtful accounts based on a number of factors including historical experience with the donor and past due status. Receivables are written off when considered uncollectible by management. The grants and contributions receivable as of June 30, 2015 and 2014, are considered fully collectible.

Support and Revenue

Grants, contributions, and revenues are generally available for unrestricted use in the year received or promised, unless specifically restricted by the donor.

Property and Equipment

Property and equipment are stated at cost, or if donated, at estimated fair market value at the date of donation. The Organization capitalizes all significant expenditures for property and equipment whose life exceeds one year. Depreciation is provided for over the estimated useful lives of the assets using the straight-line method.

Notes to Financial Statements

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Assets

The Organization reports information regarding its financial position and activities using three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets represent resources over which the Board of Directors has discretionary control and are used to carry out the operations of the Organization in accordance with its bylaws.

Temporarily restricted net assets represent resources currently available for use, but expendable only for those operating purposes specified by the donor. Resources originate primarily from gifts and grants. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities and changes in net assets as net assets released from restrictions. Temporarily restricted net assets received and expended during the same year are classified as unrestricted net assets.

Permanently restricted net assets represent resources subject to donor-imposed stipulations that do not expire by passage of time, nor can be fulfilled or otherwise removed by the actions of the Organization. The Organization has no funds classified as permanently restricted net assets for the years ended June 30, 2015 and 2014.

Noncash Contributions

Donated marketable securities and other noncash contributions are recorded as in-kind contributions at their estimated fair values at the date of donation.

Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes is reflected in the accompanying financial statements. Qualifying contributions to the Organization are tax deductible.

It is the Organization's policy to evaluate all tax positions to identify any that may be considered uncertain. All identified material tax positions are assessed and measured by a "more-likely-than-not" threshold to determine if the tax position is uncertain and what, if any, the effect of the uncertain tax position may have on the financial statements. No material uncertain tax positions were identified for 2015 and 2014.

Functional Allocation of Expenses

The costs of programs and supporting services are reported on a functional basis in the statements of activities and changes in net assets. This requires the allocation of indirect costs among the various programs and supporting services based on estimates made by management.

READING CONNECTIONS, INC.

Notes to Financial Statements

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Advertising Costs

The Organization uses advertising to promote its programs among the audiences it serves. Advertising costs are expensed as incurred. Advertising costs incurred in **2015** and 2014 were **\$262** and \$6,261, respectively.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Organization has evaluated events and transactions for potential recognition or disclosure through October 8, 2015, which is the date the financial statements were available to be issued.

NOTE 2 - DONATED SERVICES

The Organization receives a significant amount of donated services from unpaid volunteers who assist in tutoring, fund-raising and special projects. No amounts have been recognized in the statements of activities and changes in net assets for revenue or expenses related to these services because the criteria for recognition under accounting principles generally accepted in the United States of America was not met.

NOTE 3 - BENEFICIAL INTEREST IN ENDOWMENTS

The Organization has endowment funds which are managed by Community Foundation of Greater Greensboro ("CFGG"). The Board of Directors established an endowment fund with unrestricted monies to designate resources for housing the Organization's operations. On an annual basis, CFGG makes a distribution equal to the target payout percentage for that year times the average fair market value of the fund on the last business day of each of the 12 preceding quarters. If the fund has been established within the preceding 12 quarters, the average of the fair market value of the fund is then calculated on the last business day of each quarter of its existence.

Over the long-term, the Organization expects the current spending policy to preserve the purchasing power of the endowment funds over time, and to provide a reasonably stable and predictive revenue stream for use in connection with the charitable purposes of the Organization. The Organization can withdraw all or a portion of the endowment provided that a majority of the governing boards of the Organization and CFGG approve of the withdrawal.

READING CONNECTIONS, INC.**Notes to Financial Statements**

NOTE 3 - BENEFICIAL INTEREST IN ENDOWMENTS (Continued)

At the time the Organization established the endowment fund above, CFGG created a matching endowment fund with an initial contribution of \$10,000 that shall remain the property of CFGG in perpetuity. The Organization received a beneficial interest in the assets held in the endowment. The terms of the endowment agreement provide for distributions to the Organization to be calculated identical to the endowment fund above provided the balance in the endowment fund remains at least \$20,000. In addition, if the fair value of the investments in the matching fund fall below the original amount, the Organization is not responsible to CFGG for this deficit. As of June 30, **2015** and 2014, the fair value of the matching fund above the original \$10,000 basis was **\$1,409** and \$1,614, respectively. No distributions from the matching endowment were received in either of the years ended June 30, 2015 and 2014.

The Organization has the following beneficial interests in endowments held at CFGG as of June 30:

	<u>2015</u>	<u>2014</u>

Other Investments	2,077	-	2,077
	\$ 58,249	\$ 34,234	\$ 92,483

NOTE 5 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair values for assets and liabilities using one of the following valuation measurements: quoted prices in active markets for identical assets (Level 1); significant other observable inputs (Level 2); or significant unobservable inputs (Level 3). Observable inputs reflect the assumptions market participants would use in pricing an asset or liability developed based on market data obtained from sources independent of the reporting entity, while unobservable inputs reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing an asset or liability developed based on the best information available in the circumstances.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Beneficial Interest in Endowments: Valued using the net asset value ("NAV") approach provided by CFGG as a practical expedient. The NAV is based on the value of the underlying assets owned by the trust, minus its liabilities, and then divided by the number of shares outstanding.

Other Investments: Represents investment account held by broker.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements at June 30, 2015 and 2014:

	Fair Value Measurements at June 30, 2015			
	Level 1	Level 2	Level 3	Total
Beneficial interest in endowments	\$ -	\$ -	\$ 90,272	\$ 90,272

NOTE 6 - IN-KIND CONTRIBUTIONS

The Organization leases space at High Point Library to meet with students at no cost. The use of the Library has been estimated at a fair value of \$1,667 per month. During the years ended June 30, 2015 and 2014, the Organization recognized in-kind contributions of \$20,000 related to the use of the Library, which is included in occupancy expense on the statements of functional expenses. The lease between the Library and the Organization can be cancelled by either party at any time with a 30 day notice. The Organization also receives goods and services to be used for both their programs and fundraising events.

The Organization recorded revenue and expense related to these in-kind contributions for the years ended June 30, 2015 and 2014 as follows:

	2015	2014
Rent and utilities	<u>\$ 20,000</u>	\$ 20,000

Notes to Financial Statements

NOTE 8 - RISKS AND UNCERTAINTIES

The Organization maintains its cash in financial institutions insured by the Federal Deposit Insurance Corporation. Deposit accounts, at times, may exceed federally insured limits.

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported on the statements of financial position.

NOTE 9 - RETIREMENT PLAN

The Organization has a tax-deferred annuity plan qualified under Section 403(b) of the Internal Revenue Code ("IRC"). The plan covers substantially all full-time employees of the Organization and allows for a contribution of two percent of gross salaries for qualified employees to the plan. Employees may make contributions to the plan up to the maximum amount allowed by the IRC. The Organization has suspended contributions to the plan and is considering implementing a waiting period for employees who wish to participate in the plan. For the years ended June 30, 2015 and 2014, no expenses were incurred and no contributions were made to the plan.

NOTE 10 - OPERATING LEASE COMMITMENT

The Organization rents its office facility under an operating lease agreement expiring September 2017, with monthly payments ranging from \$3,335 to \$3,645. Total rental expense, including the High Point Library in-kind lease described in Note 6, for the years ended June 30, **2015** and 2014 was **\$61,020** and \$57,712, respectively.

NOTE 11 - RECLASSIFICATIONS

Certain reclassifications have been made to the prior year's financial statements to conform to the current year presentation. These reclassifications had no effect on previously reported results of activities or net assets.

NOTE 12 - ACCOUNTING PRONOUNCEMENTS ISSUED BUT NOT YET EFFECTIVE

In May 2015, the FASB issued ASU 2015-07, *Fair Value Measurement*. This update is effective for fiscal periods beginning after December 15, 2015. The amendments in this update remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the NAV practical expedient. The amendments also remove the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the NAV per share practical expedient. Rather, those disclosures are limited to investments for which the entity has elected to measure the fair value using NAV as a practical expedient. Management has not determined the impact this pronouncement will have on their financial statements.

NOTE 12 - ACCOUNTING PRONOUNCEMENTS ISSUED BUT NOT YET EFFECTIVE
(Continued)

In May 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2014-09, *Revenue from Contracts with Customers*. This update was revised in August 2015 by ASU 2015-14, which delayed the effective date one year to fiscal periods beginning after December 15, 2018. The purpose of the updates are to improve financial reporting by creating common revenue recognition guidance for U.S. GAAP and IFRS. This update affects any entity that either enters into contracts with customers to transfer goods or services or enters into contracts for the transfer of nonfinancial assets unless those contracts fall under the scope of different guidance. Management of the Organization has not determined the impact this pronouncement will have on their financial statements.
